About Xavier Mission

Xavier Mission is a non-profit community outreach organization located at the Church of St. Francis Xavier in Chelsea. Our roots date back to early Jesuit outreach efforts to mid-19th century immigrants on New York's Lower East Side. Today, we continue our long tradition of service to New Yorkers through six programs.

You Can Make A Difference!

The success of Xavier Mission is the product of many hands. Each year we are joined in our service by more than 5,000 volunteers who provide more than 15,000 hours of service. We receive financial support, donated goods, and services from many individuals, corporations, foundations, and government agencies. We hope you can join us!

Volunteer

Please visit our website or call to find out how you can volunteer and how you can make an in-kind donation of food or clothing.

Food Pantries

Two pantries support more than 160 households each month. Open on the second Saturday of each month, the customer-choice pantry allows guests to choose their own foods. Additional services include clothing distribution geared towards women and children, assistance with government benefits, and nutrition workshops. Emergency pantry bags are available during the week from the church office. Guests are limited to one emergency visit every six months.

Clothing Room

Through donations from the community, the All Saints Clothing Room provides clean clothing for all sizes, toiletries, and appropriate business wear for interviews and employment twice a month. This clothing distribution is mainly geared towards men, though some women's clothing is available.

Shelter

The Fr. Ned Coughlin, SJ Men's Shelter provides a friendly, safe space for up to 13 men seven nights a week. The shelter is a member of the Emergency Shelter Network of Faith-Based Congregations and Community Organizations (ESN) and runs in partnership with the Department of Homeless Services and the Olivieri Drop-In Center. Volunteers are needed for evening and overnight shifts!
