About Xavier Mission

Xavier Mission strives for a future where all people, regardless of economic status, are treated with dignity and respect and are given the opportunity to realize their goals. We welcome our guests into a supportive community, serve them with dignity, empower them to achieve self-sufficiency, and advocate for social justice.

You Can Make A Difference!

The success of Xavier Mission is the product of many hands. Each year we are joined in our service by more than 5,000 volunteers who provide more than 15,000 hours of service. We receive financial support, donated goods, and services from many individuals, corporations, foundations, and government agencies. We hope you can join us!

Welcome Table

Open every Sunday, a day when most other soup kitchens in NYC are closed, the Welcome Table serves 1400-1900 hot meals each week. We also provide our guests with assistance in obtaining benefits, free chiropractic treatments, legal resources, and voter registration.

Food Pantries

Two pantries support more than 160 households each month. Open on the second Saturday of each month, the customer-choice pantry allows guests to choose their own foods. Additional services include clothing distribution geared towards women and children, assistance with benefits, and nutrition workshops. Emergency pantry bags are available during the week from the church office. Guests are limited to one emergency visit every six months.

Clothing Room

Through donations from the community, the All Saints Clothing Room provides clean clothing for all sizes, toiletries, and appropriate business wear for interviews and employment twice a month. This clothing distribution is mainly geared towards men, though some women's clothing is available.

Shelter

The Fr. Ned Coughlin, SJ Men's Shelter provides a friendly, safe space for up to 13 men seven nights a week. The shelter is a member of the Emergency Shelter Network of Faith-Based Congregations and Community Organizations (ESN) and runs in partnership with the Department of Homeless Services and the Olivieri Drop-In Center. Volunteers are needed for evening and overnight shifts!

Life-Skills Empowerment Programs (LSEP)

LSEP are 13-14 week courses that offers life-skills training, one-on-one mentoring, and a trauma-centered group experience to individuals transitioning after experiencing homelessness, homeless veterans, and post-incarcerated individuals. LSEP works with participants to develop the skills necessary to be successful in achieving their goals. Volunteer mentors are needed!
